NYAP Consultation Service

Calling all Canadian researchers working on childhood disability research projects!

CHILD-BRIGHT's National Youth Advisory Panel (NYAP) has a consultation service to provide youth input throughout the design and execution of research studies.

Get input on recruitment strategies, communication plans, and knowledge translation activities.

We have a few spots left! Here's how to do and get the perspectives of youth with brain-based developmental disabilities:

1

Speak to our
Citizen
Engagement
Coordinator

2

Submit a
request
form

3

Sign
agreement
form

4

NYAP
member(s)
provide the
consultation

5

You (researchers)
provide feedback
on the
consultation
